Long distance running, Strength and Conditioning, Skateboarding, Surfing, Brazilian Jiu-Jitsu, Martial Arts, Basketball, Guitar

OBJECTIVE

Aiming to transition into an engineering role to provide simple, effective solutions and insights. Strong attention to detail and willingness to learn and grow with a team.

EXPERIENCE

Analyst | Diversified Commercial Brokerage

Scottsdale, Arizona | May 2023 – September 2023

- Created 3 maps that appended unique data from RL Brown Housing reports into a standard KML format so that location data was shown on still-image maps from a separate provider.
- Updated internal list of 200+ retail tenant's information by proactively calling and confirming with individual contacts.

Portfolio Manager | First International Bank and Trust

Phoenix, Arizona | May 2022 - May 2023

- Updated and verified internal information on 20+ commercial clients in the Phoenix area. Provided financial analysis of profit and loss statements, company balance sheets, and personal financial statements.
- Ensured communication with team of loan officers and loan associates to ensure information was in line with the bank's internal systems and standard reporting.
